...it is also a celebration of our beautiful city and of the incredible world class event that we host each year in our very own backyard

WELCOME TO THE 17TH ANNUAL FUN4KIDS FESTIVAL

MESSAGE FROM MERRAN FYFE, FUN4KIDS FESTIVAL DIRECTOR

It's been an incredible delight to join the festival team as Festival Director in 2015, having attended this amazing event each year for almost a decade.

This year we will yet again welcome some of the nation's top entertainers through song, dance, comedy, theatre, circus, acrobatics and even science! In our zones we've included festival favourites, but also challenged ourselves to bring to life the intriguing and unexpected. There are zones where children and adults alike can create unique and distinctive memories.

There is no hiding that this event is amazing, entertaining and engaging. For our community it is also a celebration of our beautiful city and of the incredible world class event that we host each year in our very own backyard...actually it's more like our front yard!

I must pause to openly and loudly thank our corporate and philanthropic partners, as well as the dedicated staff, contractors and volunteers who are the life force of the festival each year.

Please take time to laugh, create, engage, sing and dance - use our festival to make happy memories with your friends and family...it's here for you to enjoy!

MESSAGE FROM JOHN EREN
MINISTER FOR TOURISM AND MAJOR EVENTS

I'm delighted to welcome you to Australia's best and brightest festival designed specifically for children aged 12 years and younger.

The Victorian Government is proud to again be supporting the Fun4Kids Festival as part of our broader efforts to promote and develop tourism across regional Victoria.

As one of South West Victoria's biggest annual events, Fun4Kids continues to attract large numbers of visitors to Warrnambool during the traditionally quiet winter period, delivering wide-ranging benefits for local businesses.

Last year's festival attracted almost 20,000 people, with more than half travelling to the event from outside the Warrnambool region.

I encourage all festival visitors to make the most of this opportunity to experience the many stunning attractions South West Victoria has to offer, from the Twelve Apostles and the world famous Great Ocean Road to the historic settlements of Port Fairy and Portland.

And I wish you all a very exciting and memorable 2015 Fun4Kids Festival enjoying some of the best children's entertainment from Australia and around the world.

MESSAGE FROM CR MICHAEL NEOH
MAYOR OF WARRNAMBOOL

Welcome to our vibrant and wonderful festival this year.

Our team has been busy working to deliver you an amazing array of performance, comedy, dance, theatre, art, culture and activities that will engage minds of both young and old.

Warrnambool is a bustling regional city with strong values and welcoming arms, and our incredible team of volunteers, community organisations, South West TAFE, major corporate partners, the Community Consultation Panel and local businesses are proud to open Fun4Kids for its 17th year.

Whether you are bobbing along to Hip Hoop or tapping to Japanese Drumming, or trying your hand at weaving or movie making, our program allows you, your family and your children to engage and be entertained by exciting and often unexpected arts and culture.

To those who have travelled from afar, we welcome you and hope you have a great stay in the city, but also take a chance to extend your stay to explore the region. It's breathtaking in winter and some of our best delights are on offer, and provide a teaser for those looking for a summer getaway in the season ahead!

Enjoy and have FUN!
